MATHS PLANS

LEVEL · 1

TERM · 2

Based on Get Ahead

Mathematics.

Level: -1 lerm:- 2 Week: -1 Day: -1 Objective: SS will be able to know what is ten? Activity:- Make tens from given objects. Material: - Straws, Ice - cream sticks, rubber Procedure: - Orall drill of counting (1-10)
Group work: -\* Give 9, 9 objects to each group.

\* Ask how many objects you have?

\* Teacher will write the answer on board. \* Give I more to each group and ask now how many you have? Explanation:-If we add I Unit in 9 Units we get 10 units. (Ten)

C.W:- Solve these Questions (in copies)

3- 
$$2+8= \square$$
  
5-  $10+0=\square$ 

H.W:- None.

C.W:- Solve these Questions (in copies)

3- 
$$2+8= \square$$
  
5-  $10+0=\square$ 

H.W:- None.

Level: 1 Term:-2 Week:-1 Day :- 2 Objective: Se will be able to count the things in ten.

Activity:- Counting and colouring. Material: - Prepare the charts as given on P#56 (Get Ahead 1) Procedure: \*\* Make groups.

\*\* Give 1 chart to each group.

\* Ask them to count and colour the things that are ten.

C.W:- P#56 (In Copies)
H.W:- P#57

Level:-1 Term:-2 Week:-1 Day:-3 Objective: Student will be able to read and write the numbers upto 10.

Activity:- Making number line: Material: Thread, flash cards of numbers (0 to 10) Procedure: Make groups and give a long piece
of thread and flash cards (0 to 10)
to each group. \* Ask each group to make a number line with these cards. Like 国国国国国国 C.W:- P#51 (in copies)

U

```
Leve!:-1
Term:-2
Week:-1
 Day: - 4
Objective: Studentwill be able to identify the Zero.
Activity: - Identifying and colouring.
Material: Bowl, colour box, Glassi bag.
Procedure: - Explanation through activity.
* Put an empty (bowl, glass) and full (colour box, bag) on a table.
* Ask these questions.
1. How many colours are in colour box?
2. How many books in this bag?
3. What is in this bowl?
4- What is in this glass? (Nothing)
Now teacher will explain.
  When there is nothing. In counting we use 603
            ( () mean nothing.
  C.W:- P#48 (In copies)
```

-ek:-1 Day: - 5

Objective: Students will be able to add 'O' with any number.

Activity:- Addition

Material:- Wooden blocks, straws

Procedure: 1. Make 4 groups.

2. Give 5 straws/blocks to group #1 and 4 and nothing to group 2 and 3.

3. Now ask from each group. How many objects you Teacher will write the answers Group 1 = 5 board G104P 2= 0

Like Group 3 = 0

4. Ask Students to add the number of straws

of Group 1 and 2. 5+0=55. Do the same with group 3 and 4. Now teacher will explain.

Zero is special because when we add

zero with a number. The number stay's

the same. 4+0=4CW:- Do these Questions in copies.  $3+0=\Box$   $6+0=\Box$   $0+8=\Box$   $0+2=\Box$ 

7

Level:-1 Term: 2 Week:-1 Day: - 6 Students will be able to subtract the co. from any number. Objective:-Activity: - Subtraction. as used in Day 5 Material: - Use the same material Procedure: Fallow the same procedure as used in Week 1, Days, Term 2, Level 1.

> But use subtraction instead of addition. C.W:- Subtract these. 4-0= [ 9-0=[ 8-0-[] 7-0=[ 1-02/

H.W:- Assessment of P#48, 48, 50, 51, 54, 55 and 56.

tevel: 1 Term: - 2 Week:-2 Assessment. Level:-1 erm:-2 Weck:-2 Objective: Students will be able of numbers (1-20) writing Pattern Activity: - Writing-0 Material:- Chart like 3 upto go. Procedure:-units (through the chart) as above + Ask students to write the counting from 1 to 20 in copies. C.W:- Counting 1 to 20 in capies. H.W:- Counting from 21 to 40 in copies.

Level:-1 · Term:-2 week:-2 Objective:- Children will be able to recognize and learn the shape 'circle' and 'square'. Day: - 3 Activity: Drawing and colouring.

Material: Bangle, key ring, (Blocks, colour box which are in square shape). + Show all things which have eirde shape one by one. Procedure: - Warm up Tell their name with its shape eg it is a bange.

9t has circle shape etc.

Fallow the same procedure for square shape. a Ask the children names of different things which have circle or square shape.

Nrite the spelling of circle and square on the board also draw the pictures. C.W:- Draw circle and square and write their names.

- level:-1 Term:-2 Week:-2 Objective: Students will be able to recognize and learn the shape circle and square Day: -4 Activity: - Recognizing. the different shapes. Material: Different material which is in circle material: Different material which is in circle and square shape, charts, glue, \* After this ask students to read the spelling of circle and square in group. C.W:- Draw circle and squere and write their names. H.W:- Learn the spellings of circle and

U

·Lèvel: -1 Term: -2 Week:-2 objective: - Students will be able to recognize and learn the shape triangle and rectangle. Day:-5 Activity: - Drawing ! colouring. Flash cards of triangle and Retargle with their names. Material: Procedure: 1. Show the flash cards of triangle. 2- Tell them that triangle has 3 sides. 3- Write the spelling of triangle on the 4. Ask the name of different thing which have triangle shape. Follow the same procedure for Reclangle. C.W:- Draw Friangle and Rectangle and write their names. (in copies)

12

level:-1: Term:-2 week = - 2 Day:-6
Objective:- Students will be able to recognize and Objective:- Students will be able to recognize and Rectangle. Activity: Making Triangle and Rectangle with match sticks.

Materials - Match sticks. Procedure: - 1-Make groups.

2- Give each group 7 match sticks.

3- Ask them to make a Rectangle and

Triangle with these sticks.

Triangle with these spelling in

4- After this revise the spelling in CoM:- Draw Triangle and Rectangle and write their names (in copies) H.W:- Assessment of shapes-(O, [], [])

```

  Week:3
              Lessenent.
  Level:-1
  lerm :- 2.
          e:- Students will be able to write required before/after.

number before/after.
Objective: Studonts
Activity: Writing
 Material:- Copies, pencil, exaser.
   Procedure:
Warm up:-
Warm up:-
1- Chorall drill of numbers (1-40)
1- Chorall drill explain the task on the board
2- Teacher will explain the task in front
           then write before/after numbers in front of the given numbers.
    C.W:- What comes after/before.
```

Hill:- What: comes after/before. 1- \_\_\_ 13\_\_\_\_ 2-\_\_\_8\_\_\_ \_\_\_\_\_ 15 \_\_\_\_ 4- \_\_\_\_ 35\_\_\_\_ 5-:--- 40---Level:-1 1erm - 2 Week:-3 will be able to write the comes between. Objective: - Students numbers that Activity:- Writing. Material. Copies, pencils, exaser. Trocedure: 1. Chorall drill of numbers (1-40.) 2. Teacher will explain the task on the board Then write between numbers in front of the given numbers. that comes between. C.W:- Write the numbers 19, \_\_\_\_, 21. 5-23, \_\_\_, 25. 6-36, — 38.

Level:-1 · lerm: - 2 Week :- 3 Objective: Students will be able to know the concept of 1 more than Day: - 4 Activity:- Comparing numbers. Material:- Copies, pencils. Warm up:- Ask from students. 1- Count tables and chairs. 2- Which furniture / thing are more? Now give the correct of 1 more than -> Calling 4 girls and 3 boys then ask questions from class. 1. How many girls are more than boys? (1)
2- 1 more than 3 is - ? (4)

Teacher Teacher can give some more examples. like this. C. W:- Write the missing numbers. than 8 is more than 5 is \_\_\_ than 20 is \_\_\_ some more blanks like given

· Level:-1 Tem: -2 Week: -3 Objective: - Students will be able to know the concept Activity: - Comparing numbers.

Material: - Copies, pencils.

P. 1 Ask questions from students. Procedure: - Warm up. 1. I more than 12 is? and sor on. Now give the concept of 1 less than by -> Calling 4 boys and 3 girls. Then ask questions 1. How many girls are less than boys? (1)

2- I less than 4 is —? (3)

Teacher can give some more examples like this.

C.W:- Write the missing numbers.

1. I less than 5 is —

2- I less than 5 is from class. than 39 is less than 2015 than 15 is . than 7 is --

Level:-1 Term:-2 Weck: - 3 Objective: Students will be able to know more about I more and I less than. Day: - 6 Procedure: - Follow the same procedure as used in week3, day 4 and day 5. C.W:- Give some questions about more and less for practice (in copies) H.W:- Assessment of work done in week 3. Level: -1 Term: - 2 Weck: - 4 Level: -1 Term: -2 Week - 4 Objective: Students will be able to know what are tens and units.

Activity: Finding tens and units from given objects.

Material: Straws, Ice cream stricks. rubber band, beads, wire

Pending. -> Make groups and give them different objects.

ask them to make the groups of ten. 13

-> Ask them how many tens and how many units

are there, and how many total objects.

-> Teacher will write them on board like Tens Units : Number. tens and ones. C.W:- Write how many tens—ones. H. W!: - Write the numbers. 2 tens 5 ones = 4 -tens 1 ten bones= 3 tens 4 onesz 5 tens Sonesz Level:- 1 Objective: - Students will be able to know about tons funits. Term: - 2 Follow the same procedure and material as

Weed in previous day. (with different numbers).

1. W:- Match these. (in copies) 3 tens 6 ones

2 tens 3 ones (23) (2) 1 ten 2 ones · Level:-1 Term: -2 Week:-4 Objective: - Students will be able to know about the different ways of number writing. Material Flash cards of numbers in words. Activity:- Writing.

Procedure: - warm up:
Ask students to read the spelling of -> Paste a chart on which numbers! in figure have written.

>> Pat flash cards of numbers in words on a -> Call students one by one to select the correct flash card and paste in front of given number. C.W:- Write the numbers Thirty six = Twenty one = --Fifteen = --Forty = -Nineteen= -Nineteen= numbers in words.

H.W:- Write the following numbers in words.

14,29,36,48,12
